SB Civil Writ. Petition No.4030/2006

Date of Order: 03rd August, 2006.

PRESENT

HON'BLE MR.JUSTICE BHAGWATI PRASAD

Mr. J.S.Choudhary for the petitioner/s.

Heard.

In this case the Sarpanch of the Gram Panchayat made a request to the Zila Parishad for changing the assignment of cluster plan. Since the cluster plan was changed at the request of the Sarpanch of the Gram Panchayat it cannot be said that it was without application of mind. If petty politics of the village is permitted to trickle down to a level where development plans are permitted to be interfered then it would result into a chaos which would just frustrate the plans which are for the development of the village. Any encouragement given to such kind of complaining would mean that the elected representatives' discretion is interfered. This kind of leverage to self styled persons should not be given. Work should be permitted to go according to the views of the elected members. In such cases ordinarily interference is not called for unless a strong case is made out on record of the case. There is no material on record to infer any extraneous consideration. Therefore, no interference is

called for. The writ petition is dismissed.
